

SPLITZER is initiated with a concept to provide high quality product within the budget of the customer. Our expertise with 9+ years of experience into the modular interior industry helps to refine the need of customer to deliver most practical products with their esthetical satisfaction.

A modular furniture manufacturer is someone who replicates your idea of living into reality. **SPLITZER** understand the Indian market well & add-ons modern designs with the quality and looks as well. We are completely customizing your furniture as per your need and space available.

SPLITZER is specializing in "Residential Furniture" (Modular Kitchen, Wardrobe, TV Console, Vanities, Storage units & Kids room furniture etc.) & "Commercial Furniture" (MD desk, CEO Desk, Conference Table, Work stations etc.) made with technicalities and innovative imagination.

We design and provide Modular kitchen and wardrobes with entire modular range. Be a part of creating your own kitchen and wardrobes with us.

Vision Mission & Values

VALUES:

- * Delivering amazing products as we self are going to use and meet customer's expectations.
- * Manufacture with heart & Care.
- * Creativity, Innovation & Continual self improvement.

VISION:

To provide the soul projected high quality modular wooden furniture by upgrading and equalizing 'Make in INDIA' products to International standards and serve to the Nation.

MISSION:

Mission of **SPLITZER** is to develop and retain high performance team, which understands the customer's need, choice & preferences to deliver appropriate products and maintain 'Indian brand image; globally' by enhancing the customer's satisfaction.

WHAT WE DO

SPLITZER design and provide the quality modular wooden furniture at the reasonable price. We have a qualified & experienced team, who understand your needs well and deliver the best choice of yours.

SPLITZER provides free consultancy to their clients about design concept, color concept & themes. We never charge for site visits after final agreements are done.

SPLITZER focuses on continues development of new concepts and designs. We pace-in with the modern time. Our each design is signature one.

SPLITZER believe in providing the flawless quality product and efficient pre-sales & post-sales service. Our motto helps a lot initially to exist in the market and to grow gradually.
